

ACKNOWLEDGEMENT OF POLICY BY THE SUPPLIER

Acknowledgement of Policy by the Supplier

I, [Insert Name], on behalf of _____ ("the Supplier"), hereby acknowledge and confirm that we have read, understood, and shall abide by the principles set out below, and are fully committed to observing them in every aspect of our business relationship with GGT PRIME FZCO.

The Ten Principles of the UN Global Compact

The UN Global Compact's ten principles in the areas of human rights, labour, the environment, and anti-corruption enjoy universal consensus and are derived from:

- The Universal Declaration of Human Rights
- The International Labour Organization's Declaration on Fundamental Principles and Rights at Work
- The Rio Declaration on Environment and Development
- The United Nations Convention Against Corruption

The UN Global Compact asks companies to embrace, support, and enact, within their sphere of influence, a set of core values in the areas of human rights, labour standards, the environment, and anti-corruption. GGT PRIME FZCO requires all suppliers to uphold these same principles as a condition of doing business with the Company.

Human Rights

Principle	Description
Principle 1	Businesses should support and respect the protection of internationally proclaimed human rights.
Principle 2	Businesses should make sure that they are not complicit in human rights abuses.

Labour

Principle	Description
Principle 3	Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining.
Principle 4	Businesses should uphold the elimination of all forms of forced and compulsory labour.
Principle 5	Businesses should uphold the effective abolition of child labour.
Principle 6	Businesses should uphold the elimination of discrimination in respect of employment and occupation.

Environment

Principle	Description
Principle 7	Businesses should support a precautionary approach to environmental challenges.
Principle 8	Businesses should undertake initiatives to promote greater environmental responsibility.
Principle 9	Businesses should encourage the development and diffusion of environmentally friendly technologies.

Anti-Corruption

Principle	Description
Principle 10	Businesses should work against corruption in all its forms, including extortion and bribery.

Confirmation

We hereby confirm that we have read and understood the above information and, as a condition of our business relationship with GGT PRIME FZCO, will comply with the same, and will use reasonable efforts to promote adherence to these principles throughout our own supply chain.
